To: [All Up Wee Grow Therapists and Teachers]

Good Afternoon,

I hope this email finds you well. In wake of the COVID-19, we want to make all of our Therapists aware that our number one priority is health and safety - both for you and for the children and families served. We have received numerous messages from both Therapists and Parents regarding COVID-19 and their concern of in home therapy. In the event that you have a parent that would like to suspend OR terminate services, please contact your Up Wee Grow OSC immediately.

We have included our Long Island OSC's below, with the phone number to use. You can call or text them during normal business hours to discuss your concerns. For NY City, please contact Director Rosanne Saltzman at 718-626-6161 at Extension 117 or Nancy Mendoza at Extension. 114.

We Thank you for your cooperation at this time.
